

Dear Parents,

District 74's Wellness Policy promotes the health and safety of all Lincolnwood children. In keeping with this policy, families are no longer allowed to bring food items into the classroom for childrens' birthdays.

However, we recognize the excitement of your child's birthday. Please be assured your child will be made to feel special on that day by their class. In addition, you can purchase a book for the library in honor of your child's birthday. Please see Ms. Thorstenson for details.

Thank you for your cooperation to this matter.

The Second Grade Team
